March 22 nd	Pizza Day
March 26 th	Wear your Bunny Ears
March 28 th	PJ Day

Note from the Office

Good afternoon FMEC Families,

February has been quite the month – we were so lucky to have one extra day of it this year – students had lots of fun “Leaping” into March today.

It has been exciting to get to know all these students and community again. We’ve been having a great time this month.

We’d like to thank the CWL for the ice cream treat they provided to our students last week – The students (and staff) enjoyed that treat.

Also a quick shout out to the staff for all the wonderful activities they’ve planned for our students. From guest readers, to skating trips, spirit days, to pizza, cake, and other treats, there hasn’t been a shortage of excitement here at FMEC.

We are looking forward to March and all the awesome things it will bring with it. If you have ideas for ways that we can make this building even better, please reach out – I’d be happy to have a chat!

Take care everyone!

Gary Forgeron, Acting Principal

Winter?? Spring?? Clothing

Please send your child with proper clothing for the weather. Winter jacket, snow pants, boots, hat, and extra mittens. Please note that all students will be going outdoors on a regular basis. It would be good practice as well to ensure that your child has a change of clothes (At least socks) as it is very wet outside right now.

****Please Note:** Temperature, weather, and wind chill are always monitored closely.

P/1 taking some time to explore what 100 looks like through play – although Mr. Forgeron had more fun stacking the cups I think.

St. FX Ocean's Camp
For: Felix Marchand
Education Centre!

March 14, 2024

From 9:30 – 12:30
Join in some Ocean's fun at
FMCE!
